The edge goes south to a shadowy cantina...

There, among those who deal in secrets
best traded after dark--

Careful, gentlemen.
The night is still young...

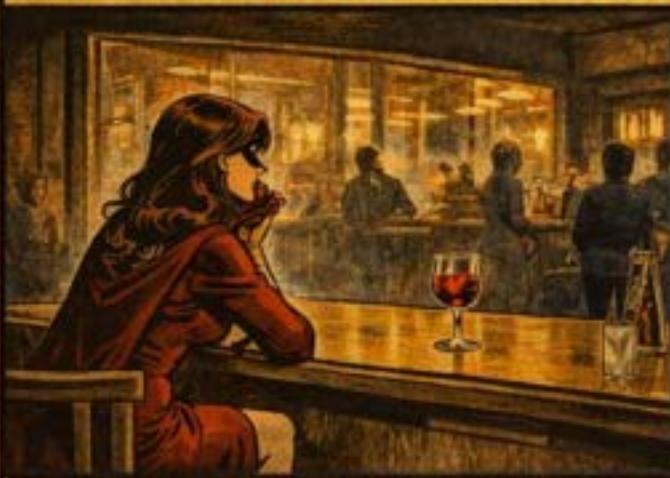

Where flame-licked cocktails ignite conversation, and tacos vanish in the haze...

∞ Miss MASQUE — THE CONFERENCE & NIGHT OUT

She struggled to the lectern...

Later — absorbing knowledge, the atmosphere — incogitating.

Within the conference circle, the Bachelor of Genetics sat at the head of the table.

After hours... comfort food and stout beer rounded out the evening.
